Caesar Popcorn

Recipe Created
For
Braiser

Main Ingredient
Under 30
minutes

Serving Size
4-6

RECIPE NOTES

Did you know you can use your French Oven or Braiser for air cooking? Why not try something different with your cast iron pot and make some homemade popcorn for your next movie night. This Caesar Popcorn recipe is delicious and perfect for a premium stay-at-home movie experience. The seasoning, a mixture of anchovies, garlic and lemon zest, is reminiscent of a classic Caesar cocktail. For an extra elevated movie night, make sure to serve the popcorn alongside the classic cocktail itself. The only thing difficult about this recipe is deciding what movie to watch while you enjoy this savoury snack. This Caesar popcorn recipe makes 4-6 servings and takes under 30 minutes to make. For larger watch parties and popcorn for two, adjust the portions accordingly and enjoy! Here are all the ingredients you need and steps to follow before you get poppin'.

INGREDIENTS

- ¼ cup (60 ml) olive oil
- 2 anchovy fillets, minced
- ½ tsp (2 ml) garlic, finely grated
- 1 tbsp (15 ml) lemon zest
- 3 tbsp (45 ml) peanut oil
- ¼ cup (60 ml) popcorn kernels

INSTRUCTIONS

In a small [Saucepan](#), heat olive oil, anchovies, garlic and lemon zest over medium-low for 2 to 4 minutes. Remove and set aside.

Heat peanut oil in a [Braiser](#) over medium-high heat.

Test the oil by adding 3 or 4 popcorn kernels.

When the kernels pop, add the remaining kernels in an even layer and cover with lid. Once the popcorn begins to pop, gently shake the Braiser by moving it back and forth on the burner.

Once the popping slows down, remove from heat and remove the lid.

Drizzle with seasoning mixture, toss and serve immediately.
