RECIPE NOTES

Calling all chocolate lovers! Is there anything tastier than a Chocolate Fondue when that craving hits you? Why not try this Chocolate Fondue recipe to satisfy that oh so delicious craving. This recipe uses a mixture of milk and dark chocolate, as well as heavy cream. These ingredients are melted and combined until rich and silky in a fondue pot such as the one included in our Cast Iron Fondue Set. For dipping, we recommend a medley of foods that pair perfectly with chocolate, such as fruit, cookies, marshmallows and waffles. Don't be surprised when this Chocolate Fondue mixture is all eaten up once the meal is over! This recipe is perfect for 2-4 people, but can easily be doubled to accommodate extra servings. The Chocolate Fondue mixture, along with the dipping ingredient prep, take under 30 minutes to prep for meal time, making this a quick meal option. Make sure to grab these ingredients on your next grocery run and follow the steps below to achieve this Chocolate Fondue recipe.

INGREDIENTS

1 lb (450 g) mix of milk and dark chocolate, chopped
2 cups (500 ml) 35% cream
1 tbsp (15 ml) vanilla extract or the seeds scraped from 1 vanilla pod

For dipping
Variety of cookies
Variety of fruit
Marshmallows
Waffles

INSTRUCTIONS

Place the chocolate in a large bowl.

In the [Fondue Pot](#), heat the cream and vanilla until just starting to simmer.

Pour over the chocolate. Wait 1 minute without stirring.

With a [spatula](#), mix until the chocolate has completely melted and the mixture is smooth and uniform. Transfer the mixture back to the fondue pot.

Place the fondue pot on the fondue stand and light the burner.

Serve with your choice of ingredients for dipping.
